*For the scope of the insured cover, see the general terms and conditions. For example, any medical service directly associated with pregnancy, delivery and newborn care is excluded. 1. These services do not comprise a medical diagnosis from a medical professional. Their purpose is to improve knowledge of overall wellbeing. They do not diagnose, treat, mitigate or prevent any disease, symptom, disorder or abnormal physical condition. Patients must consult a medical professional or emergency service if they believe they have a medical problem. 2. Includes all specialties that can be treated in a digital consultation.
